

Port Coquitlam Marlins Swim Club

Assistant Coaching Position – Summer Swimming

The Port Coquitlam Marlins Swim Club is an organized summer swim club with approximately 120 swimmers. The club teaches and develops competitive swim skills to a range of athletes, both in terms of age and ability in a competitive swim club atmosphere. Our strong and united parent executive team provide an outstanding level of support to all coaches.

The Poco Marlins are looking for a skilled, dynamic, and dedicated coach to help develop some of the club's top junior swimmers for the 2019 summer season running from May to August. Working in a team environment, with the guidance of the head coach, this individual would be expected to plan and implement a performance based swim program for a group of capable young swimmers.

Qualifications:

- Valid NLS, minimum CPR-B and NCCP level 1
- Previous coaching experience preferred
- Possess competent knowledge on the technical aspects of competitive swimming
- Attend weekend and evening swim meets to provide support for swimmers and other coaches
- Ability to supervise and inspire volunteer junior coaches
- Possess organizational, communication and leadership skills
- Enthusiastic, dependable, energetic, and a team player
- Support positive and fun environment for all

We offer a competitive salary commensurate with ability and experience. Please send resume and cover letter outlining your qualifications and experience to:
