

Salt Spring Stingrays

summer swim club

Your Kids will learn to Fly!

That's right! They will start with the Crawl but they will learn to Fly with the Saltspring Stingrays Summer Swim Club!

Kids ages 7 – 18: Get Fit and have Fun! The Summer Swim season is about to begin.

The Saltspring Stingrays, a competitive youth swim club, provides the opportunity for kids to develop important, lifelong swimming skills and so much more. Make new friends from across Vancouver Island, build self-confidence, learn mentoring skills and achieve a high level of fitness. It is also super cross training for your winter sport.

If you have heard that Swim Team is a big commitment...it's true, but only if you want it to be! It is a competitive Swim Club -- But you get to chose how competitive. The program offers something for every level of swimmer and brings positive results, not just in terms of swimming, but also in overall health, fitness and confidence.

The Swim Season runs May through August. Join us now and find out if you are ready to jump in with both feet.
