

Dawson Creek Seals Swim Club 2024 Coaching Opportunities

The Seals are recruiting coaches for the upcoming summer swim season. It takes a team of dedicated individuals to ensure the club is successful. Coaches at all levels promote an enjoyable atmosphere while contributing to athlete development.

We are hiring for the following job roles:

Lead Coach (2 Positions)

The Lead Coaches support the Head Coach in all aspects of program delivery and can fill in for the Head Coach in case of an absence. They are present and engaged for all practices, club events, and a number of swim meets. The following are additional duties of the Lead Coach:

- Ensure the safety of all participants and respond to feedback
- Develop and deliver functional lesson plans that allow for progress
- Lead sport specific dryland training for senior athletes
- Keep records/notes of swimmer development and club activities as required
- Assist with training of Assistant and Junior Coaches
- Engage and promote the club on its social media site highlighting club events and accomplishments
- Plan and publish a weekly newsletter.
- Become familiar with Active and Hytek to assist with swim meet entries

Qualifications

The Lead Coaches will have or commit to attaining the following credentials:

- BCSSA Successfully Coaching Young Swimmers Program
- Safe Sport Training – Direct Athlete Contact

Interested applicants are to submit resumes by January 31, 2024 to:

Danny Schilds

Head Coach

Dawson Creek Seals Swim Club

Assistant Coach (6 Positions)

The Assistant Coaches support the Lead and Head Coaches in program delivery while being able to train, develop and compete in summer swimming. They are in a working capacity up to two afternoons/week during the May/June months with the possibility for additional support hours during July and early August. The following are duties expected of the assistant coaches:

- Responsible for their own specific group of swimmers during afternoon practice(s)
- Ensure the safety of participants and provide feedback to foster development

- Provide a fun and competitive environment for swimmers

Assistant Coaches are expected to commit to their own professional development. As such, they will work to complete the training required of the Lead Coaches – the BCSSA’s Successfully Coaching Young Swimmers and the first step of the NCCP Theory Course.

Interested applicants are to submit resumes by January 31, 2024 to:
