#### **Lightning and Rain Policy**

1. Pool closes at the first sound of thunder and/or sighting of lightning.
2. Pool manager should:
  - a. Contact recreation office/pool office.
  - b. State the time the pool went on stand-by.
  - c. If the storm persists, inform office of closure of pool.
  - d. If the pool is reopened, state the time pool was opened.
3. The pool may reopen after ½ hour has passed since the last sighting of lightning or sounds of thunder.

The pool manager in charge will be the judge of safety conditions, and the one to determine closure.

### **Team Tents**

Keep them clean, please. Tents may be set up for the weekend, but please roll-up ground covers/tarps overnight to protect the grass.

### **Miscellaneous**

- The shallow end of the pool will **not** be available for swim use during events.
- A novice relay will be held Saturday at the end of the day. This will be a 100m relay. The coaches will organize the relay teams during the Saturday morning Coaches meeting.

Coaches must submit one name to the office prior to lunch break on Sunday. The 400 IM will take place after the last official event of the day on Sunday.

### **Lodging**

- Colville Benny's Inn: 509-684-2517 or 800-680-2517, located on Main Street two blocks from the city park. Highly recommended as they allow our club to use their pool to support our winter and spring season.
- Comfort Inn: 509-684-2010, located on north city limits near Wal-Mart.
- Selkirk Motel: 509-684-2565, located near downtown and 4 blocks from the pool.

## Camping

As in years past, the City of Colville has graciously allowed the use of the park for camping. Camping is permitted in the Colville City Park the nights of Friday (7/5) through Monday (7/8). This is on a first-come first-served basis.

A club representative will be around twice a day (Friday evening – Sunday morning) to collect donations and register campers. You may also register at the pool office.

- **THERE ARE NO POWER OUTLETS AVAILABLE. Generators are allowed, but quiet hours must be observed (10pm to 7am)**
- RV camping is permitted on the east side of the park and in designated parking areas on the west side of the park. Trailers must not take up more than one designated parking space. Tent camping is permitted on the east side of the park.
- **No vehicles or trailers are allowed on grass areas or within the park itself.**
- Please do not encroach into Walnut Street so as to inhibit regular two-way street traffic.
- Take note of the locations of the dumpsters. They have been placed for your convenience; please use them.
- Camping areas must be kept clean with designated receptacles used to dump food and garbage. Please do not leave garbage bags on the ground. Return picnic tables to their original spots.
- Dogs must be on a leash. **Please clean up after your dogs.**
- Dish washing water should be disposed of in the restroom, not on the grass.
- Please don't throw ice on the grass. Ice on a hot day will freeze the grass and destroy the grass. **Dispose of ice on the asphalt roadway.**
- Full RV hook-ups are available at the fairgrounds, four blocks from the park.
- There are **no campfires** allowed in the City Park. BBQ grills are acceptable.
- Please keep the park clean by properly disposing of garbage!
- For non-emergency problems, call Janelle Cardenas at 907.952.1281 or stop at the pool office during the meet. **If it is an emergency, call 911.**
- It is a privilege to camp in the park. The City of Colville grants a variance that our club requests every year to allow camping during our meet. If it becomes problematic, the city will not authorize camping for the next year. To ensure the privilege continues, leave the park nicer than you found it.
